

Design Innovation Centre, HUB

One Page Report of online Workshop by DIC of GTU

Online short term course: Latex for everything and for everyone

Date: 20th November 2021 to 20th January 2022

Expert Name: Mr. Ishq Sheikh, Asst. Prof. GEC Dahod.

Time: 03:00 PM to 05:00 PM

Mode : Google Meet

No. of Participants: 43

Design Innovation Center (supported by MoE) initiated a short term online course Latex, a document preparation system, is widely used for publishing in many scientific technologies, design mathematics, statics, computer science, engineering, chemistry, physics, economics, linguistics, etc. It is powerful and open-source system that provides numerous facilities for automating typesetting of the document i.e. structuring page layout, listing and auto-numbering of sections, tables, and figures, generating a table of contents, managing cross referencing, citing, and indexing. The participants were encouraged to participate in the future workshops/courses that will be conducted by DIC – GTU on the relevant topics.
