One Page Report of Workshop by DIC of GTU

## **Hands-on Workshop on Intel Galileo**

**Date:** 13<sup>th</sup> & 14<sup>th</sup> December 2021

**Time:** 03:00 PM Onwards

**Expert Name:** Ms. Priya Mishra

Ms. Urvashi Mesariya

**Mode:** Offline

**No. of Participants:** 12

Design Innovation Center (supported by MoE) initiated a two days hands-on workshop on Intel Galileo for the students and enthusiasts willing to get started with physical computing. This workshop was conducted with the motivation to give a brief overview of Intel Galileo Boards, hands-on practical, and prototype building. The participants were encouraged to actively participate in the further activities launched by DIC – GTU on the relevant topics. The workshop was conducted by Ms. Priya Mishra, Research Assistant, and Ms. Urvashi Mesariya, Admin Assistant at Design Innovation Centre, GTU.
