**Expert Name:** Drs. Gauri Wagenaar

**Registration Link:**

bit.ly/GTU-dTalk

**No. Of Registration:** 173

**No. of Participants:** 66

The session started with Mr. Parth Sejjal addressing all the students and faculties. Drs. Gauri Wagenaar was the speaker of the webinar. It was all about interpretation of design and innovation. Drs. Gauri Wagenaar explained so many topics which were related to different- different designs and their interpretations. She explained some real-life problems and its solution. The next topic was all about experiments in real life. In that, she did some live experiment and explained how we try to do some design forcefully and made it. The session ended with a question-answer between the Participants and the speaker.
